

# Columbia Fuels: Serving BC's Forest Industry

The forestry sector has a long history here on Vancouver Island and Columbia Fuels is extremely proud to be a part of it. Columbia has been servicing logging companies, pulp mills and contractors for over 15 years with the products and services designed specifically for BC's number one industry.

## The Products Your Equipment Needs

Columbia sells all gas and diesel products which are available at our conveniently located commercial cardlocks or we can deliver to you. We also offer a full line of quality lubricants from 76 and Shell that are specifically engineered for the rigorous demands of heavy duty equipment.

## Deliveries Where and When You Need Them

Columbia Fuels operates the largest fleet of delivery vehicles that specialize in remote delivery on Vancouver Island. If you need your fuel and lubes delivered: no problem. Columbia Fuels operates a large fleet of delivery vehicles that specialize in remote delivery. Select Service, our newest delivery service, is a great option for your equipment. We send out a delivery truck to fuel your equipment at the end of your operating day. That way, your equipment is fuelled and ready to work every morning, saving you time and money.

## The Service You Demand

Columbia has the largest commercial cardlock system on Vancouver Island as well as cardlock sites on the Sunshine Coast.

Our 11 cardlock sites offer:

- Convenient locations with all gas and diesel products
- Lube warehouse at some sites for easy pick-up
- 24 hours, 7 days/week, 365 days/year access
- Unit number and mileage tracking
- Product control and immediate lock-out of cards
- One consolidated, easy-to-read statement

## Aviation Fuel

Heli-logging is fast becoming the method of choice by logging companies here on Vancouver Island. The combination of better accessibility to steep terrain and high extraction rates, not to mention all of the environmental benefits, makes heli-logging companies busier than ever. Columbia Fuels has the products and services you need to keep those helicopters in the sky and your operation running smoothly. We specialize in remote, on-site delivery of the aviation fuels you need when you need them. Our lubricant warehouses stock quality aviation lubes and greases that can be delivered or picked up at one of our convenient locations.
