Your Full Service Commercial Fuel & Lubricant Supplier

Did you know?

Columbia Fuels has the most local offices of any fuel company on Vancouver Island (8 in total) and is 100% locally operated.

Columbia Fuels has been serving commercial businesses on Vancouver Island and the Sunshine Coast for over 15 years. In that time, we have built many strong working relationships with the forest, marine, aviation, transportation and construction industries Island-wide. Columbia is committed to high quality fuel and lubricant products and excellent customer service. Our commercial service and products are designed for the challenges that today's industries face. Remote, on-site fuel and lubricant delivery, 24 hour accessible cardlocks and industry leading products are just some of the services Columbia has to offer.

The Largest Cardlock Network on Vancouver Island

Columbia Fuels has the most cardlock locations on Vancouver Island including sites on the Sunshine Coast. Our cardlock sites are designed with customers in mind; easy access for large commercial vehicles, a variety of gas and diesel products and convenient locations around the Island.

The Columbia cardlock network offers:

- 24/7/365 Access
- Fleet Fuel Pricing
- Unit Number & Mileage Tracking
- Product Control
- One Consolidated, Easy-to-Read Statement

Select Service

Select Service is Columbia Fuels' on-site refuelling program.

With the largest fuel delivery fleet on Vancouver Island, we can deliver directly to your location or job site. Once the equipment is shutdown for the day, our driver will refuel all the equipment tanks ensuring your vehicles are ready for work the following day. This service is designed to save time and money by not having to worry about fuelling downtime. Your equipment will be fuelled and ready to work when you need it.

Aviation Fuel and Lubricants

Heli-logging, fly-ins to fishing camps and aerial tours are getting more and more popular here on Vancouver Island. These activities offer greater accessibility to remote terrain and the convenience of speed. Columbia Fuels has the products and services to keep you in the sky and your operation running smoothly. We specialize in remote, on-site delivery to get the fuel and lubricants directly to your site. Our lubricant warehouses stock quality aviation lubricants and greases that can be delivered or picked-up at one of our five convenient locations:

- Victoria at 2515 Rock Bay Avenue
- Nanaimo at 4436 Boban Road
- Courtenay at 2703H Kilpatrick Avenue
- Campbell River at 1525 16th Avenue
- Port Alberni at 3169 2nd Avenue
- Powell River at 7408 Highway 101

Lubricants

Lubricants are the life-blood of your equipment and no one understands that better than Columbia Fuels. We carry the full range of 76, Shell and Chevron lubricants to meet our customer's needs. Columbia offers both delivery to your site and pick-up at one of our five conveniently located warehouses for all of your packaged and bulk lubricant needs.

Columbia Fuels also offers customers free Lube Surveys which may lead to real cost and operational benefits for your operation. Our lubrication specialist will analyze your operation in terms of working hours, nature of workloads, working environment and type of lubrication method used. The information obtained in these comprehensive surveys will help reduce inventory, maintain warranty compliance, ensure accurate applications with proper fluids and reduce downtime and failures.
